

DEVELOPMENT OF KENGERI LAKE, BANGALORE BY BMRCL

Brief History:

Kengeri Lake is situated near Kengeri satellite town, Bengaluru South taluk, Bengaluru Urban district and in the south western part of Karnataka State & is constructed long back across the Cauvery River basin, located away from the Bengaluru city on Mysore Road. Kengeri Lake is also known as Doddakere.

Google Image of Kengeri Lake:

The Kengeri lake was developed earlier by the state forest department in the year 2005.

As part of development and rejuvenation of the lake, the forest department had developed islands, pathways and also fenced the 25-acre lake. Now, the lake is full of weeds and water hyacinth.

As per the decision of HPC, vide proceedings dated 09-10-2012. This Lake was handed over by BDA to BMRCL for development, restoration, maintenance / beautification subject to the terms & conditions as stipulated in the GO no: Aa Pa Ge 139 ECO 2008 dated 19/04/2010 and GO no: UDD 441 MN

2011, Bangalore dated 5/01/2012. BMRCL has taken up the responsibility of Rejuvenation and Development of Kengeri Lake. BMRCL has taken this work on Tender basis by inviting a Tender vide notification No: BMRCL/PD/R2/Lake01/2017-18/6120 Dated 30-06-2017.

Scope of Work:

BMRCL has taken up the development of Kengeri Lake. The intention is to keep the lake Clean, aesthetic & Environment friendly throughout the year by maintaining & monitoring hygienic water quality, with fair living conditions for possible aquatic life in it. On the other hand it is to be developed to

provide boating facility, good jogging track, green lands, sitting areas, children's play area, amusement facility, lighting, fountaining, food stalls etc, with proper public safety and security. Detailed Project Report has been prepared by BMRCL and taken approval from Karnataka Lake Conservation and Development Authority. Detailed scope of work for the development of lake comprises Civil, Structural, Mechanical, Electrical, premises Management, Safety and Security related services. Installation, Operation & Maintenance of the entire lake.

Plan of Proposed Lake development

Proposed Improvements for the Lake includes:
