## **Information to Metro Commuters :**

### **1) Display Units at Ticket Office.**

The passenger can monitor the transactions on their card during add-value operation at Ticket Office of stations. The Display Units are placed at all Ticket offices where the transactions like the amount of add-value, amount received by the Operator and change to be handed over will be displayed for passengers.

### **2) Remaining Value Checking Terminal**

These terminals are placed at ALL CUSTOMER CARE CENTERS of Metro stations, where the passengers can check the transactions on their card. The details like entry-exit details, validity of the card, remaining amount/trips available in the card etc can be checked.

### **3) Details of 'Group Ticket'**

Group Paper ticket is offered to a group of  $\geq 25$  persons travelling in Metro and carry a discount of 10% over the token fare.

### **4) Benefits of Contactless Smart Cards:**

- One time cost of Card Rs 50.
- Add value from min Rs 50 to Rs 1500/- max
- No hassle of buying ticket every time you travel.
- Load either value or trips on card as per your convenience.
- Get discount from 15% to 24% over tokens.

### **NOTE : Penalty for Carrying away of tokens**

Carrying away tokens without depositing at Exit Gate (used or unused) attracts penalty of Rs 200/-.
