Bangalore Metro Rail Corporation Limited

Address: Bangalore Metro Rail Corporation Limited
3rd Floor, BMTC Complex, K H Road,
Shantinagar, Bengaluru - 560 027
On occasion of the Constitution Day on 26.11.2019, Oath was taken by BMRCL Employees at Corporate office & Baiyappanahalli Depot

Chief Guest, Padmashree Dr. Mallikarjuna, inaugurated the 64th Kannada Rajyotsava. On this occasion Shri Ajay Seth, MD, BMRCL honoured the Chief Guest. Shri N.M. Dhoke, Director (RSE & OSM), Senior Officials & Staff were present.

THE CONSTITUTION OF INDIA

PREAMBLE

WE, THE PEOPLE OF INDIA, having solemnly resolved to constitute India into a SOVEREIGN SOCIALIST SECULAR DEMOCRATIC REPUBLIC and to secure to all its citizens:

JUSTICE, social, economic and political;

LIBERTY of thought, expression, belief, faith and worship;

EQUALITY of status and of opportunity and to promote among them all

FRATERNITY assuring the dignity of the individual and the unity and integrity of the Nation;

WE DO HEREBY GIVE TO OURSELVES THIS CONSTITUTION.
PART IVA
FUNDAMENTAL DUTIES

51 A. Fundamental duties.— It shall be the duty of every citizen of India —

• to abide by the Constitution and respect its ideals and institutions, the National Flag and the National Anthem;

• to cherish and follow the noble ideals which inspired our national struggle for freedom;

• to uphold and protect the sovereignty, unity and integrity of India;

• to defend the country and render national service when called upon to do so;

• to promote harmony and the spirit of common brotherhood amongst all the people of India transcending religious, linguistic and regional or sectional diversities; to renounce practices derogatory to the dignity of women;

• to value and preserve the rich heritage of our composite culture;

• to protect and improve the natural environment including forests, lakes, rivers and wild life and to have compassion for living creatures;

• to develop the scientific temper, humanism and the spirit of inquiry and reform;

• to safeguard public property and to abjure violence;

• to strive towards excellence in all spheres of individual and collective activity so that the nation constantly rises to higher levels of endeavor and achievement;

Critical issues faced regarding Land Acquisition for Phase-2 of the project

NICE Land:- The work is held up due to non availability of NICE lands. Hon’ble High Court of Karnataka has stayed proceedings of acquisition of NICE Lands in respect of Reach-5. Efforts are being made to get the stay vacated. Negotiations have been held with NICE Authorities for payment of compensation through negotiated settlement.

Forest Lands:- The State Government has given working permission for 18.11 ha of Forest land in Kadugodi Plantation and 0.71 ha of land in U.M. Kaval required for Kadugodi and Anjanapura Depot respectively. However, work cannot be started as permission for cutting the trees in these lands is yet to be given by Forest Department.

Reach-6 Underground Section

Langford Town Station:- The Board of Officers (BoO) has been constituted by Local Military Authority (LMA) and the land required for Langford Station is 2137.334 sqm on permanent basis and 5866.569 sqm on temporary basis. Final Board of Officers BoO proceedings are yet to be signed.
Church Land for Vellara Junction Station: The acquisition process for balance land measuring 3797.271 sqm on permanent basis is in progress (originally it was proposed for temporary acquisition) through KIADB.

Eidgah-e-Jaded land for launching Shaft: Wakf Board has been requested to hand over the land to BMRCL after vacating the school building by providing them alternative accommodation and vacating the shops by payment of Resettlement & Rehabilitation (R&R) benefits as per BMRCL norms.

BBMP Land for Cantonment Station: An Industrial Training Institute for differently abled children is constructed on BBMP land. The building was constructed to run the Industrial Training Institute. There is a dispute regarding payment of compensation for the building between Church Authority and an NGO which was running the institute. Compensation will be paid after ascertaining the details about which of the two i.e., Church / NGO has constructed the building. Presently building is being vacated.

Lakkasandra Village Sy. No. 14 and 15: Encroachers are obstructing access to Casting Yard area. The Deputy Commissioner, Bangalore has been requested to remove the encroachment with police protection after convening meeting with Commissioner, Karnataka Slum Clearance Board.

### Land Acquisition Status as on 30th November, 2019 of Phase-2, ORR -2A & Airport -2B Line

Operational Highlights for the month of November 2019

Operational efficiency achieved in the month (Percentage) : 99.98
Ridership for the month in Numbers : 1,21,34,545
Revenue earned during the month (Amount) : ₹ 31,97,80,822/-

Highest Ridership of the Month on 04.11.2019 (Numbers): 4,55,802

Contribution of Smart Cards, Tokens and Group Ticket for the month.

Smart Cards: 62.04%   Smart Tokens: 37.83%   Group Ticket: 0.13%

Appreciation received by commuters as BMRCL provided free BMTC Bus services to Metro Commuters between R V Road & Yelachenahalli Metro stations from 14th to 17th Nov, 2019 on suspension of train Services due to launching of viaduct superstructures on the span across the operational Green Line, at R.V. Road Metro Station
While Bengaluru's water crisis has long been in the limelight as a matter of academic, social and political debate amongst the leading experts and thinkers of the city, a silent and vital effort by the Mannu Vaddars of the Bhovi community of Bengaluru may be providing a sustainable and long term solution to this crisis - the traditional practice of digging recharge wells to revive the fast-receding underground water table of the city.

In an attempt to make the stories and processes surrounding this practice accessible and visible to the citizens, Art in Transit, a public art and pedagogic initiative by Srishti Institute of Art, Design & Technology has collaborated with ecological design experts, Biome Environmental Solutions. Art in Transit operates within the metro spaces of the city and hopes to leverage this public platform to connect people to place and engage with place-based inquiries.

Over the past four months, the Art in Transit team, along with students from the Explanations as Stories and Picturing Processes & Phenomena undergraduate courses at Srishti, organized a series of masterclasses with other faculty, city based poets and experts to conceptualize a narrative that ties together the historical, ecological, cultural and social contexts of water in the city. This research process culminated with the designing of a large mural at Cubbon Park Metro Station, using only paint derived from mud extracted in the digging of the 65 recharge wells that Biome is facilitating within the park.

On 16th & 17th November, 2019 a community paint and poetry event was hosted by Art in Transit at the Cubbon Park Metro station, inviting the public to engage with the project and the well-diggers who are changing Bengaluru’s water future. Through the use of unusual media such as mud paint in telling visual stories about the process of well digging, the event hoped to make visible this vital work of the well diggers and encourage citizens of the city to reach out to them to dig wells in their homes and communities.

For a primer on recharge wells, please visit: http://bengaluru.urbanwaters.in/helpful-contacts

Project supported by Bangalore Sustainability Forum and BMRCL.
